To whom it may concern,

February 16, 2011

It is with the greatest pleasure and confidence I recommend Dr. Albion M. Butters to any fitting task involving English language revision or scholarly editorial work.

I became acquainted with Dr. Albion Butters when he was employed by the Finnish Oriental Society as language reviser and co-editor for Professor Klaus Karttunen's felicitation volume *Pūrvāparābhinandanam, East and West, Past and Present. Indological and Other Essays in Honour of Klaus Karttunen* (Studia Orientalia 110), Helsinki 2011 (xxv + 330 pp.). As the chief editor of the said volume I worked in close co-operation with Dr. Butters from June 2010 to February 2011. His work consisted in checking and revising the contributions written in English and assisting me with editing them. He did a splendid job in every respect. I found him to be exceptionally conscientious, thorough and punctual. Working with him was a joy, because of his intelligent and co-operative character.

Sincerely,

Dr. Bertil Tikkanen

Editor and Board Member of the Finnish Oriental Society

Docent of South Asian Linguistics
